

Paris Community Hospital Family Medical Center

2017 ANNUAL REPORT

MESSAGE FROM THE PRESIDENT & CEO

We ended 2017 with many proud accomplishments. To meet the changing healthcare needs of our communities, we began new construction projects, expanded services, recruited new providers, and gained national recognition for our excellence in quality and patient satisfaction. Our community involvement was as strong as ever, which is a testament to the hard work of our dedicated staff. On the technology side, we completed the final phase of fully automating our medical records system.

This year's annual report contains numerous accounts of our successes in 2017. I'm proud of our achievements, and I encourage you to take a closer look at the pages contained in this report.

Oliver M. Smith

GIVING BACK

COMMUNITY BENEFIT BY THE NUMBERS

Community benefits are programs and services designed to improve health in communities and increase access to healthcare. PCH/FMC performs community benefit activities in a number of ways, including offering free health-related events and programs for Edgar County students and the community as a whole.

Community benefit activities in 2017 totaled \$236,768, up from \$211,986 in 2016 (does not include charity care/bad debt, financial assistance).

PCH/FMC provided 2,971 staff hours serving 3,896 people. Major categories included providing free CPR/AED/first aid classes; community health education; education/job shadowing for high school students, medical students, and other healthcare professionals; glucose checks for high school freshmen; and sponsorship of three athletic trainers for area high schools.

STAFF HOURS
SERVING 3,896 PEOPLE

SCHOLARSHIP AWARDS

The PCH Volunteers continued to help students further their education in the healthcare field by awarding three scholarships totaling \$2,000. Recipients included a graduating senior at Paris High School and two hospital employees.

Also in 2017, the Nursing Foundation awarded a \$500 scholarship to each of three local students enrolled in nursing programs. Scholarships have been awarded for the past three years and are funded through the annual Nursing

Twilight Walk honoring all community nurses, the Nursing Honor Guard program, and private donations.

Doc Acklin Race/Scholarship

It was a milestone year for the annual Doc Acklin Race. The second annual race took place in August and featured 60 open race runners and 29 junior high and high school teams. Additionally, the first Doc Acklin Scholarship was awarded to two local high school seniors who embody the character traits of the late

Dr. James Acklin. Dr. Acklin, who retired in 1994 after 34 years as a family physician at Paris Community Hospital, passed away in 2015. He was a respected member of the Paris High School cross country team that captured an unprecedented four consecutive state championships from 1946-49.

NEW PROVIDERS

Employed

Kristina Berg, FNP-BC (EZ Care)
Jacqueline Coffman, PA-C (EZ Care)
Jolena Martin, PA-C (EZ Care)
Sneha Patel, FNP-BC (EZ Care, Nursing Home Care)
Amna Qureshi, MD* – Pathology
Ronald Wheeler, MD – Orthopedics
Kara Wilcoxon, MS, RDN, LDN – Dietician/Nutritionist
Matt Woodruff, PA-C (EZ Care)

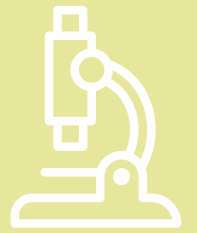

**Dr. Qureshi became the hospital's new pathologist/
laboratory medical director, replacing Asuncion U. DeWitt,
who retired in 2016 after 38 years of service.*

Visiting

Jennifer Ash, MD – Vein & Vascular Care
Robert Blumthal, OD** – Optometry
Bradley Grissom, APN, CNP, MSN – Cardiology
Ronald Johnson, MD – Psychiatry (Senior Care)
Manoj Kohli, MD** – Rheumatology
Priyank Patel, MD – Oncology
Karen Wiarda, DO – Cardiology

***Visiting specialty services were expanded in 2017
to include Rheumatology and Optometry.*

EMPLOYEE RECOGNITIONS

RURAL HEALTH ADMINISTRATOR OF THE YEAR AWARD

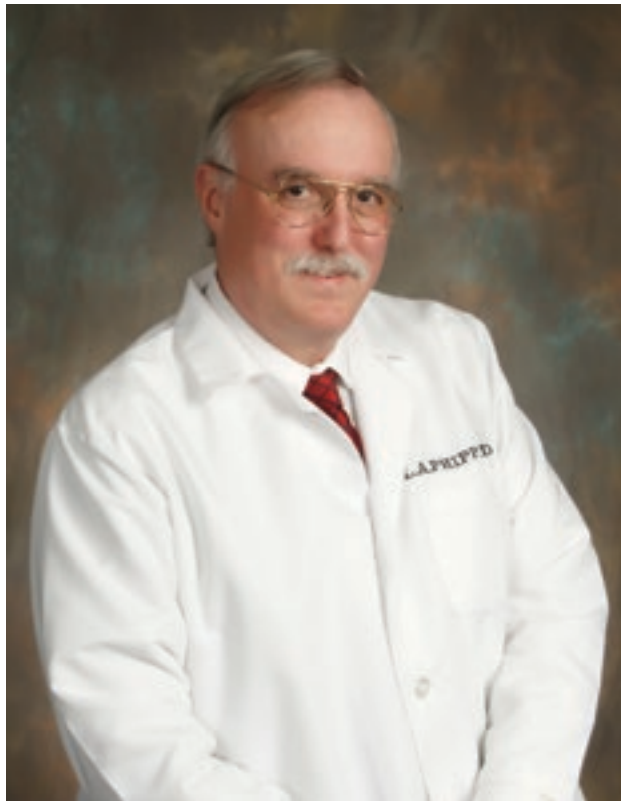

PCH/FMC Clinic Manager Eunice Chaney received the Rural Health Administrator of the Year Award from the Illinois Rural Health Association (IRHA). The award was presented in conjunction with their Annual Educational Conference in Champaign.

DAISY & HIGH FIVE PRIDE AWARDS

Employee recognition continued with presentations of the DAISY Award and High Five PRIDE Award to employees who went above and beyond the call of duty. The DAISY Award, a national recognition that honors extraordinary nursing achievement, was presented to two individuals. The High Five PRIDE Award, which recognizes non-nursing staff for their outstanding patient care and/or teamwork, was presented to six individuals and one department.

*Note that the service moved off site in January 2017.

REMEMBERING DR. PHIPPS

Dr. Leland Phipps passed away May 22, 2017, at age 64, leaving behind a legacy that defined the exceptional patient care that exists today at PCH/FMC.

As the cornerstone of the PCH/FMC medical staff, Dr. Phipps was a highly respected family medicine physician who served the community for 36 years.

Patient surveys received over the years described Dr. Phipps as a “true asset” to the community. Patient comments included the following:

- “Love Dr. Phipps and his attention to our health!”*
- “I have the utmost respect for Dr. Phipps and his staff.”*
- “Dr. Phipps provides great care and shows genuine concern.”*

» EARLY DAYS

A native of Kankakee, Ill., Dr. Phipps earned a bachelor of science degree in engineering at Northwestern University in Evanston in 1974. Northwestern is also where he met his wife, Carol. He graduated from the University of Illinois, Abraham Lincoln School of Medicine, in Chicago in 1978. He completed his internship and residency in family practice at the University of Kansas in 1981.

Dr. Phipps relocated to Paris, Ill., in 1981, joining the local medical clinic with Drs. Duane Haskell, James Acklin, Joseph Shackelford, and Glen Skinner. Dr. Phipps said he chose to practice in Paris to maintain the small-town feel that he was used to. He also had strong family ties to the area because his mother had been born in Kansas, Ill.

» OBSTETRICS CARE

When Dr. Phipps arrived in Paris, he joined Dr. Shackelford in providing obstetrics care at Paris Community Hospital. Dr. Phipps redeveloped obstetrics care by adding a specially trained nursing unit and introducing ultrasound to the service.

When Dr. Shackelford left his Paris practice in 1984, Dr. Phipps was on call 24/7, delivering about 200 babies a year until obstetrics ended at PCH in 1988.

» ACCOMPLISHMENTS

Dr. Phipps served on the Edgar County Health Department Board and was chair of the capital campaign to build the new Paris Family Medical Center. While at PCH/FMC, he spent many years as medical chief of staff and a hospital board member. He received repeated recognition as an American Diabetes Association recognized provider. He was also the collaborating physician for Debbie Griffin, family nurse practitioner, and the medical director for the PCH/FMC Occupational Health Department.

Dr. Phipps was board certified by the American Academy of Family Practice and a Fellow in the American Academy of Family Practice. Throughout the years, he served as clinical instructor at the University of Illinois and Southern Illinois University. He belonged to numerous professional organizations, including the American Medical Association, Illinois State Medical Society, and World Organization of Family Doctors.

MEDICAL DIRECTOR
FOR THE OCCUPATIONAL
HEALTH DEPARTMENT

The Illinois Rural Health Association awarded Dr. Phipps a 2017 Physician of Excellence Award (posthumous) for his significant impact on the health of rural communities and for his dedication to improving access to care in medically underserved areas of the state.

Following Dr. Phipps' passing, the Carle Foundation established an annual Dr. Leland Phipps Memorial Scholarship – available to any PCH/FMC employee to further his or her education in the healthcare field.

QUALITY

PCH RECEIVES NATIONAL RECOGNITIONS

» 5 Stars

In 2017, PCH/FMC received a five-star rating for patient satisfaction from the Centers for Medicare & Medicaid Services (CMS), which is the highest rating possible.

The data for this rating came from a 10-question survey completed by patients regarding their hospital stay. The areas surveyed ranged from cleanliness and quietness to pain management and responsiveness of hospital staff.

This ratings program is called the HCAHPS Summary Star Rating system. HCAHPS stands for Hospital Consumer Assessment of Healthcare Providers and Systems. Results can be evaluated comparatively to other area hospitals, state averages, or national averages.

See top chart on opposite page.

» 4 Stars

Additionally, PCH/FMC was rated "four stars" by the CMS Overall Hospital Quality Star Reporting program. This rating summarizes up to 57 quality indicators reflecting common conditions that hospitals treat on a one-to-five scale. Indicators are categorized into seven areas of quality: mortality, safety of care, readmission, patient experience, effectiveness of care, timeliness of care, and efficient use of medical imaging. Less than two percent of all hospitals in the U.S. receive a five-star rating, with the bulk of hospitals receiving three stars (39.02%).

See bottom chart on opposite page.

» Top rural hospital

Also in 2017, PCH/FMC was recognized as a top performing rural hospital in the nation for its excellence in quality and patient satisfaction. The announcement was made by the Chartis Center for Rural Health and the National Organization of State Offices of Rural Health (NOSORH). Top performing rural hospitals are determined each year using the Chartis Center's "Hospital Strength INDEX," a product of iVantage Health Analytics, the industry's most comprehensive and objective assessment of rural hospital performance.

QUALITY INITIATIVES

In April, leaders from PCH/FMC met with state legislators in Springfield to showcase quality improvement initiatives that have benefited patients, families, and communities while reducing healthcare costs. PCH/FMC's project addressed "improving communication across the care continuum," which involved launching a Community Care Coalition in March 2016. The coalition consisted of hospital staff, area nursing homes, home health agencies, and group homes. As a result, PCH/FMC reported that a \$500 investment produced a savings of \$8,000 to \$13,800 for each avoided readmission to the hospital.
